VALHALLA ARTS GOES TO THE MERCURY WINE WEEK

"The Mercury Wine Week took place at the Suncoast Casino, Durban between the 24th and 26th August 2011.

The organizers of this top-class event called to say they would like to invite me to showcase my artwork and raise awareness of disability. I was excited because this would give me a chance to exhibit my 'Zulu Signature Collection'. I created 6 pieces and I was happy with the reaction from the many invited wine-tasting guests that visited my stand. As part of raising disability awareness I also distributed copies of THISABILITY Newspaper copies to visitors. I also extended hand of solidarity by giving, as free gifts, the six priceless artworks to lucky sponsors and participating wine exhibitors whose names were picked in a raffle.

It was a special day and this invitation raised both my profile as a fine artist and disability awareness – proving to all that there is ability indeed in those we label disabled!
